Ngo Dinh Diem for the free secretary of state for interweekend that the newer juntas in Latin America are more "civilized" than those of the past and more inclined to adopt reforms and move toward restoration of constitutional government.'

### Explaining Problems

Mr. Kennedy said Martin merely was attempting to explain some of the problems of Latin America and to give reasons why the coups took place.

But, the President said, the United States is "opposed to coups because we think that they are defeating, self-defeating and defeating for the hemisphere."

It is because of this opposition, Mr. Kennedy explained, that the United States broke off diplomatic relations with Honduras and the Positingan Republic.
